## ***Featured White Wine* (B512)**

### **2021 Duskey Goose Chardonnay | 70**

This standout white wine from Oregon's Willamette Valley is sourced from premium vineyards in the Yamhill-Carlton and Eola-Amity Hills AVAs. This wine is aged for 11 months in a mix of new and neutral French oak barrels, offering aromas of apple, peach and white flowers, with layers of honey, lemon zest and toffee on the palate. We're excited to offer this Chardonnay at just above cost, giving you the chance to enjoy a truly extraordinary wine without the premium price tag. Perfect for lovers of fine wine, it's an invitation to experience the best of Oregon winemaking.

## Virginia

Virginia is home to a thriving wine region, particularly known for its exceptional white wines. The unique terroir of the Monticello Wine Trail, set against the Blue Ridge Mountains, imparts distinctive qualities to the wines produced here.

Viognier, often considered Virginia's signature white varietal, stands out with its floral aromas and tropical fruit flavors. Chardonnay also excels, particularly in its bright unoaked form, showcasing crisp acidity. Petit Manseng, another rising star, offers a bold, full-bodied white with intense notes of tropical fruit and honey, balanced by vibrant acidity.

Winemakers in the region focus on sustainable practices and small-batch production, ensuring that each bottle reflects the character of Virginia's rich viticultural landscape.

## ***Rosé***

---

Rosé wines showcase diverse flavor profiles based on their country of origin, reflecting unique winemaking styles and grape varieties. French rosés are often dry and light-bodied, featuring crisp flavors of strawberries, citrus, and subtle herbal notes. Spanish rosados, in contrast, are fuller-bodied with riper red fruit flavors like cherry and raspberry, sometimes accompanied by hints of spice. Italian rosatos offer a mix of fruit-forward profiles, such as peach and melon, with a floral or mineral undertones. Meanwhile, rosés from the United States, particularly California, lean toward bold, fruit-driven flavors of watermelon, cranberry, and strawberry, with sweetness levels varying by style. These regional characteristics make rosé a versatile choice for a wide array of cuisines and preferences.

### Virginia

Virginia red wines offer a distinctive balance of complexity and freshness shaped by the region's unique climate. The slower ripening process allows for a harmonious blend of dark fruit flavors with earthy, herbaceous notes, complemented by vibrant acidity. This creates a refined and layered profile where each sip reveals a depth of character that speaks to the region's terroir. Bordeaux-style blends, featuring varietals like Cabernet Franc, Merlot, Petit Verdot, and Cabernet Sauvignon showcase the versatility of Virginia's red wines. These blends present rich fruit flavors with subtle spices and smooth tannins, offering an elegant and approachable wine experience. The craftsmanship and attention to detail in these blends reflect the growing reputation of Virginia as a world-class wine region.

## Large Format Selections

Large format wine bottles, such as magnums, are ideal for enhancing the dinner experience. Their larger size promotes slower, more even aging, which leads to more refined and balanced flavors in the wine. This can result in smoother tannins and a greater depth of character, making the wine more enjoyable when shared. Additionally, they make a striking statement at the table, elevating the sense of occasion, while ensuring there's plenty of wine to go around for larger gatherings, creating a more convivial and celebratory atmosphere
